

Shampoo For Long Coat Dogs

Descriptions:

Perfectly cleans the skin and takes care of your dog's long coat. It includes d-Panthenol and natural proteins. The coat combs out easier and looks definitely better. Product for animals only

Recommendations:

method of use:

Usage: Carefully comb out your dog's coat. Thoroughly wet your pet all over with lukewarm water, apply the shampoo and rub the shampoo all over until the foam appears. Rinse the dog thoroughly. Protect your dog's muzzle against getting wet.

Capacity:

150 ml
