

# **Fabric Softener - Lavender**

## **Descriptions:**

#### **Recommendations:**

It should be used after washing the beds, toys, and bedding in a bioenzymatic Mr Smell lavender scented washing liquid to soften the fabrics and protect against settling of hair on the fabrics.

### method of use:

1 cap is 65 ml of liquid.

Rinsing during automatic washing:

- Soft 1/2 cap (32.5 ml)
- Very soft 3/4 cap (48.75 ml)

We recommend dosing for 4–5 kg of dry wash

Rinsing during hand washing:

- Soft 1/3 cap (0.33 ml)
- Very soft 1/2 cap (0.5 ml)

### Capacity:

11

#### **Composition:**

5-15% of cationic surfactants, aromatic composition (linalool, hexyl cinnamal, coumarin), preservatives (methylchloroisothiazolinone, methylisothiazolinone).
