

Care Shampoo With Tea Tree Oil

Descriptions:

DermaVet shampoo contains tea tree oil that soothes irritation, accelerates wound healing and helps to keep dog's skin healthy. It perfectly cleans and cares for the skin and hair of animals. Contains natural proteins and d-Panthenol.

Recommendations:

Shampoo for dogs with all hair lengths.

method of use:

Brush your pet thoroughly before bathing.

Wet the pile with lukewarm water.

Apply shampoo until it foams.

After a few minutes, rinse thoroughly with lukewarm water removing all the foam.

Dry the animal with a towel and let it shake off the remaining water.

Repeat the above steps if necessary.

Protect the eyes, ears and nose area of the animal while bathing.

Keep out of reach of children. In case of contact with eyes, rinse immediately with plenty of water and seek medical advice. Wash contaminated skin with plenty of water. If swallowed, seek medical advice immediately. Show the package or label.

Capacity:

150 ml

Composition:

Water, Disodium Laureth Sulfosuccinate, Sodium Laureth Sulfate, Sodium Chloride, Oleamide DEA, Lauramidopropyl Betaine, PEG-75 Lanolin, Hydrolyzed Collagen, PEG-7 Glyceryl Cocoate, Quaternium-52, Melaleuca Alternifolia, Triclosan, Sodium Benzoate, Panthenol, Chlorhexidine.

Active ingredients:

- Tea tree oil has an anti-inflammatory and soothing effect on epidermis irritation. It also has an insect repellent effect.
- D-panthenol (provitamin B5) affects epidermal renewal. It accelerates the healing of minor epidermal damage. It strongly moisturises the skin and strengthens hair. It is anti-inflammatory.
