

## Shampoo For Short Hair

### Descriptions:

DermaVet shampoo for short-haired dogs perfectly cleans and cares for the skin and coat of short-haired dogs. It contains conditioning agents: d-Panthenol and natural proteins. It moisturises the skin. It increases the shine of your hair and improves its overall appearance.

### Recommendations:

Shampoo for dogs with short hair.

### method of use:

Brush your pet thoroughly before bathing.

Wet the pile with lukewarm water.

Apply shampoo until it foams.

After a few minutes, rinse thoroughly with lukewarm water removing all the foam.

Dry the animal with a towel and let it shake off the remaining water.

Repeat the above steps if necessary.

Protect the eyes, ears and nose area of the animal while bathing.

Keep out of reach of children. In case of contact with eyes, rinse immediately with plenty of water and seek medical advice. Wash contaminated skin with plenty of water. If swallowed, seek medical advice immediately. Show the package or label.

### Capacity:

150 ml

### Composition:

Water, Disodium Laureth Sulfosuccinate, Sodium Laureth Sulfate, Sodium Chloride, Oleamide DEA, Lauramidopropyl Betaine, PEG-75 Lanolin, Hydrolysed Collagen, PEG-7 Glyceryl Cocoate,

Quaternium-52, Panthenol, Sodium Benzoate, Chlorhexidine, Triclosan.

Active ingredients:

- D-panthenol (provitamin B5) affects the renewal of the epidermis. It accelerates the healing of minor epidermal damage. It strongly moisturises the skin and strengthens hair. It is anti-inflammatory.
